

ADMISSION A EPITECH 2021-2022

Summary of the test

My Name is MBOU SOP EDITH MIREILLE, i applied for the admission in MSC PRO in your school. For the test admission, we ask me to do « a form » that can take data like name, a company name, email...

I try to do my best , i have use html5, php, css, javascript. I was confused because i was not sure to understand what we ask me to do , i was skeptical so i try to done what i have learn and what i have understand.

I organise my work in on document (EPITECH), in that document there are others documents which are organised according to their estansion.

I hope my work will live up to your expectations. Excuse me for the mistakes that i done in english , i'm still learning .

Thank you very much for the opportunity.
